Washington, D. C.

STAT

We would appreciate your making available for us as soon as possible the following documents relating to the activities in the United States of the intelligence services of Iran, [REDACTED] the Soviet Union, and [REDACTED]

STAT

STAT

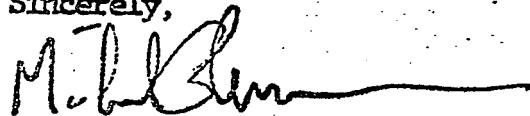

- (1) any "master plan" which the Agency may have acquired for each country;
- (2) any information the Agency may have disseminated to its "customers", especially the FBI, concerning the activities of these services in this country;
- (3) the numbers identifying the disseminations of the FBI to the Agency guarding the activities of these agencies in this country;
- (4) the names of any former intelligence officers from these agencies living in this country;
- (5) any document that has resulted from a review by the Agency of its relationship with any of these services.
